January 2021 Newsletter

Our in-person meetings are on hold through the Covid shutdown.

*"Tell of His glory among the nations, His wonderful deeds among all the peoples.
For great is the Lord, and greatly to be praised; He is to be feared above all gods."
Psalm 96:3-4*

Why Can't We Be Friends? Oh Wait, Maybe We Are!

Join **DSA** on **YouTube** **Saturday** January **16**, **9:00 AM** for a **live-streamed** meeting with **Michael Calcagno*** speaking on **sybiotic relationships** among a variety of organisms. Four categories of symbiosis will be explained and examples cited from each, along with what each type teaches us about God and the fallen world in which we live.

*Michael Calcagno is an Oregon native and a retired public school teacher and former member of DSA before moving to central Arizona in 2013. He currently serves as Vice President of both the Gila and Navajo Divisions of the Arizona Origin Science Association, and speaks regularly on Biblical apologetics.

Mount St Helens
CREATION CENTER

UPDATE Mount St. Helens Creation Center

is **again** open, three days a week
Tuesday, Thursday and Saturday but

first please **call ahead** to **360-274-5737** to check.

Homeschool students are greatly enjoying the **Creation Worldview Classes** and Saturday **Hands-on Workshops** being offered by the Center.

If you missed **Director Pat Roy's** presentation to DSA, with a video **walk-through** of the Center at our December live-streamed meeting, it's not too late to watch it on our DSA YouTube channel at <https://www.youtube.com/watch?v=Rjgc89uhCu4>

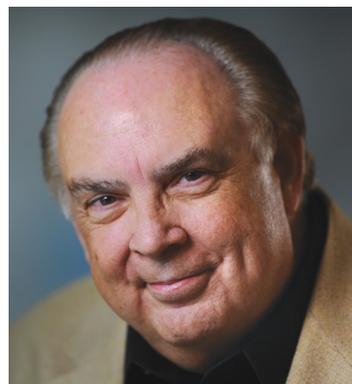

In Memory of Dr. Henry M. Morris III

It was with heavy hearts that the **Institute for Creation Research** announced the homegoing of their CEO, Dr. Henry M. Morris III. He went to be with his Lord on December 12, 2020.

A tribute article reflecting on what Dr. Henry meant to ICR's ministry and to so many people who were touched by his life and influence may be read at

The **Foundations of Life Conference** scheduled for March in Castle Rock has been canceled for 2021. Fortunately, all speakers are able to come to the 2022 conference. Details are at <https://foundationsoftruth.org/conference/>

**NEWS
REPORT**

What influence does the Moon have on Earth's Seasons?

Quite a lot, actually. Our seasons are the result of Earth's axis tilted at an angle relative to its orbit around the sun. That angle is 23.5° and when tilted at that angle *towards* the sun, the northern hemisphere is in summer. Tilted 23.5° *away* from the sun, it is winter. This 23.5° tilt is fairly

stable due in large part to the gravitational interaction between the Moon and Earth. This stable tilt that is "just so" ideally suited to life on Earth did **not** happen by chance – God created the solar system this way.

This and other fascinating details of the Moon are described in the article **The Moon: Required for Life on Earth**

by Jerry Bergman, PH.D on ICR's website at

DESIGN SCIENCE ASSOCIATION

APPLICATION FOR VOTING MEMBERSHIP

STATEMENT OF BELIEF

- 1 The Bible, in its entirety, is God's inspired word. In its original autographs, it is fully accurate, not only concerning spiritual issues, but also in matters of history and science.
- 2 The universe and all that it contains, both living and non-living was designed by God and created out of nothing in six literal days as described in Genesis. Biological changes since creation have been confined within the created kinds.
- 3 The creation occurred several thousand years ago, not millions or billions.
- 4 The Noachian Flood, as described in Genesis, was an historic event, world-wide in extent.
- 5 Acceptance of the Lord Jesus Christ, who is God and Creator, is mankind's only path to reconciliation with God.

I have read and subscribe to the Statement of Belief of Design Science Association and wish to become a voting member. Enclosed is my membership fee.
