

I'm a sponsor of \_\_\_\_\_ for the

# Timberline Challenge

*A Design Science Association Fundraising Event*

**Saturday, August 5th, 2017**

**My donation amount is:**

<b>\$0.50</b> per mile (\$20)	<b>\$0.75</b> per mile (\$30)	<b>Other</b> Amount
<input type="checkbox"/>	<input type="checkbox"/>	_____

Design Science Association is raising money to support our promotion of good science grounded in a biblical worldview. Our team of 10 hikers is attempting to complete a relay race around Mt. Hood (approx. 40 miles) in 16 hours or less. We are also competing against other teams to be first to finish, have the shortest elapsed time, and raise the most money. Would you sponsor us at \$0.50 per mile (\$20) or \$0.75 per mile (\$30) or some other amount? Thank you for your generous support!

Follow the Timberline Challenge race live Saturday, August 5th on our event page at [www.timberlinechallenge.com](http://www.timberlinechallenge.com), or on our Facebook page at [www.facebook.com/timberlinechallenge](http://www.facebook.com/timberlinechallenge). We will have continuous GPS tracking of the teams and will be posting pictures from the trail approximately every hour.

Donations can be made before and during the race via our GoFundMe page at [www.gofundme.com/timberlinechallenge](http://www.gofundme.com/timberlinechallenge) or by check, cash, or pledge. Pledged funds will be collected after the event. Make checks payable to "DSA" with "Timberline Challenge" on the memo line. Checks can be mailed to: Design Science Association, PMB 218, 465 NE 181st Ave., Portland OR 97230. Donations are tax deductible. All funds received will be applied directly to funding Design Science Association meetings, field trips, programs, and events.
